

WE'VE GOT YOU COVERED

The Fastest Growing Hospice in Oklahoma!

I would like to let you know how much your team helped and cared about my husband. Carolyn explained everything that was going to happen to us. He loved being clean, and in his words, Shannon gave him "the best darn bath I've ever had". I also want to thank Lucille; she took time to clean his fingernails after he made a terrible mess, and she clipped them too. Thanks for all you did, he was treated with respect up to the time of his death and afterwards.
